# ACCREDITATIONS

				
<p>As part of our commitment to health and safety, we are SSIP approved, which demonstrates compliance with the core criteria set out by the Safety Schemes in Procurement initiative. This simplifies prequalification for our clients and provides assurance that we operate to rigorous safety standards on all projects, no matter the size or complexity.</p>	<p>Our SafeContractor accreditation underscores our commitment to maintaining safe, sustainable, and ethical working practices. It demonstrates our compliance with legislation relating to risk management and contractor control and is particularly valued by clients in construction, retail, hospitality, and healthcare sectors.</p>	<p>Through <b>Acclaim</b>, our health and safety credentials have been independently assessed and verified. This certification supports our commitment to creating safe working environments for our engineers, clients, and end-users. It also highlights our structured approach to risk management and compliance with current H&amp;S legislation.</p>	<p>We are proud to be a registered supplier on the Achilles network, recognised throughout the UK for its rigorous assessment of supply chain partners. Achilles accreditation assures clients that TJ Lift Solutions has been independently verified across critical areas such as sustainability, financial strength, corporate responsibility, and health and safety.</p>	<p>We are proud to be certified to ISO 9001. This accreditation ensures that every aspect of our operations—from customer service and project management to engineering and aftercare—is governed by robust, consistent processes. By adopting ISO 9001 principles, we guarantee continuous improvement, greater efficiency, and complete accountability throughout our business.</p>

# WORKING WITH US

AT **TJ LIFT SOLUTIONS**, WE OFFER MORE THAN JUST LIFT INSTALLATIONS AND SERVICING—WE DELIVER EXPERT SUPPORT, FLEXIBLE SOLUTIONS, AND LASTING PARTNERSHIPS ACROSS THE ENTIRE VERTICAL TRANSPORT LIFECYCLE. FROM INITIAL DESIGN CONSULTATION THROUGH TO INSTALLATION,

MAINTENANCE AND MODERNISATION, OUR TAILORED APPROACH ENSURES WE MEET THE EXACT NEEDS OF EVERY CLIENT—WHETHER YOU'RE AN ARCHITECT PLANNING A NEW DEVELOPMENT, A HOMEOWNER LOOKING TO IMPROVE ACCESSIBILITY, OR A FACILITIES MANAGER RESPONSIBLE FOR KEEPING BUILDING OPERATIONS RUNNING SMOOTHLY.

## CUSTOMER PORTALS

At TJ Lift Solutions, we understand the importance of seamless communication and efficient workflow management. That's why we work with a range of customer portals such as **ServiceChannel**, **Fixflo**, **Invidia**, **Proactis**, and other industry platforms. These systems allow our clients to easily log jobs, track service progress, and access reports in real time — ensuring transparency, compliance, and smooth coordination across all maintenance and repair activities.

# SUSTAINABILITY

WE BELIEVE IN PROVIDING HIGH-QUALITY LIFT SOLUTIONS WHILE MINIMISING OUR IMPACT ON THE ENVIRONMENT. OUR COMMITMENT TO SUSTAINABILITY IS AT THE CORE OF OUR BUSINESS, AND WE ARE CONTINUALLY INVESTING IN GREEN TECHNOLOGIES TO REDUCE OUR CARBON FOOTPRINT.

## A COMMITMENT TO A GREENER FUTURE

WE ARE PROUD TO BE TAKING MEANINGFUL STEPS TOWARDS A MORE SUSTAINABLE FUTURE. OUR INVESTMENTS IN SOLAR ENERGY, ENERGY STORAGE, ELECTRIC VEHICLES, AND CLEAN HEATING SOLUTIONS DEMONSTRATE OUR DEDICATION TO REDUCING ENVIRONMENTAL IMPACT WHILE CONTINUING TO DELIVER INDUSTRY-LEADING LIFT SOLUTIONS.
